Thought for the month:

Some people will be your friend because of whom you know
Some people will be your friend because of your position
Some people will be your friend because of the way you look
Some people will be your friend because of your possessions
But the only real friends are the people who will be your friends
because they like you for how you are inside.

From Our President:

Hi Ladies:

Hope everyone had a great Mother's Day!!! The weather could not of been better except maybe a little cooler. Hard to believe I am saying that.

This is a very busy month for most of us so the meeting this month will be to vote on officers then everyone will be dismissed except the old board/new board. We need all members present we can get for the vote.

The meeting for the entire groupn will be from 7-7:30 with old/new board starting promptly at 7:30. Board members please plan on staying. Lynnea says we are right on target so other than projects we want to get rid of or ad this meeting should be a piece of cake as compared to the past.

Congrats!!!! to anyone with graduates this month. That is always a nice time to reflect on the accomplishments of our children. They grow up way to quick!!!!

See you all on the 18th!!!!

Jeannie B
HWT President

A BIG thank you to my secret pal for the neat Valentine's day surprise I got in the mail! I really enjoyed getting the special package in the mail, as well as my new photo frame and card. So sorry not to have thanked you sooner, but I really appreciated your thoughtfulness.

AND thank you for the really nice Easter and birthday baskets I received recently. I loved them both, and all the goodies in them! I really like candles and these smell so good, and the homespun doll and votive were right up my alley! Thanks for remembering me on Easter AND my birthday both.
