

Havana Area PREVENTION TEAM

Promotes comprehensive community-wide prevention efforts.

Empowers youth & families to develop and lead healthy lifestyles.

The Havana Area Prevention Team works with different sectors in the community to decrease substance use among youth and increase awareness and responsibility among adults.

HAPT holds regular meetings once a month at the
Mason County Agriculture Building, on the
1st Tuesday of each month from 4-5:00 p.m.

*Anyone who is interested in getting involved
from youth to senior — is invited to attend.*

Are you interested in learning more about the Havana Area Prevention Team?
Would you like to participate in our ongoing projects?
